

Athletic/Recreational Complex Overview

Construction of the new Blair Oaks R-II School District Athletic / Recreational Complex began on Monday, September 12, 2005. The complex will include a football field, baseball/softball field, track, concession stand, locker rooms, restrooms, and parking. We invite everyone to share in the excitement. The complex is slated for completion in August 2006.

Donor Paver Project

Personalized donor pavers will be used to pave the courtyard area, which will be centrally located in the new athletic/recreational complex. Your donation to the donor paver project allows you to contribute to this legacy project that will be enjoyed by generations.

Donations to the Foundation for Education are tax deductible.

Please complete this form in its entirety and include your contact information below. You will receive confirmation and receipt of your order.
